

# MULANJE MISSION HOSPITAL

Mulanje Mission Hospital is a 237-bedded rural mission hospital in Mulanje District, South Malawi, owned by the Church of Central Africa Presbyterian.

The hospital is characterized by a focus on preventive and primary health care including community development programmes (e.g. outreach, WASH, agriculture and livelihoods).

The immediate catchment area has 100,000 inhabitants. Together with the neighbouring government hospital the entire Mulanje District (pop. 685,000) is served. In addition, patients travel from neighbouring districts, Blantyre city and Mozambique.

Annual statistics:

- 2900 deliveries
- 6000 in-patient admissions
- 35,000 out-patient visits
- 72 villages reached by community programmes

## Job Opportunity

(re-advertisement)

A vacancy will arise for the post of

### Medical Director

This is an exciting position where one can have real impact on the health of the surrounding community.

**The job:** a combination of clinical care, public health and hospital management. We are looking for a committed doctor with good social skills to further our vision of providing quality health care services to all who seek them. This is a full-time position.

**Start date:** Arrival during 2023 would be preferred. MMH will work towards a hand-over period of at least six months. It can be agreed for a candidate to work as Medical Officer first, in order to gain experience.

**More information:** A job description is available on request. Couples are encouraged to get in touch - there are multiple options for a spouse to make a contribution.

**Remuneration:** Salary and flights will be provided.

**Deadline:** Please let us know your interest by 30<sup>th</sup> August, 2023.
